WHO WE ARE

The AllBright Co-Founders.

Founder of *LoveHomeSwap*, **Debbie Woskow OBE** was the *Evening Standard Entrepreneur of the Year 2018* and is a member of the *Mayor of London's Business Advisory Board*. Former CEO of *Hearst*, **Anna Jones** oversaw 24 global brands including *Harpers' Bazaar*, *Cosmopolitan* and *ELLE*. Anna is a board member of the Creative Industries Federation.

WHAT WE STAND FOR

Sisterhood works.

At a time when the universal zeitgeist of female empowerment is getting louder, AllBright is dedicated to creating opportunities for women to flourish and thrive. Our collective uplifts the modern working woman through upskilling, mentoring and facilitating moments of connectivity and collaboration. Places to do business, or to unwind after hours; our private members' clubs are at the heart of our network, and members are encouraged to bring guests, including men, who we naturally encourage to join us in changing the conversation.

THE
ALLBRIGHT.
 MAYFAIR

1

Join us this Spring.

Designed for women, by women, The AllBright Clubs have been created to support busy lifestyles; luxurious havens where members can take time out, or put the work in. Situated in the heart of Mayfair, our newest London club is a majestic space on Maddox Street, a home-from-home with decor to inspire and delight, extending over five floors and including two large roof terraces with views over the Mayfair skyline.

THE FIRST FLOOR

.....
Step Inside.

As London's most exciting new members' club, we know how to make an entrance. We invite you to drink, dine and meet in the decadent comfort of our first floor 80-seat restaurant and bar, with interiors inspired by the female tailoring of Saville Row. A modern European brasserie with a menu of refined twists-on-classics, AllBright's Executive Chef, Sabrina Gidda, has curated a supply chain of the freshest, most seasonal and sustainable ingredients possible, with a focus on championing female growers, wine-makers, cheesemongers and purveyors of fine food. Enjoy indulgent dinners, working lunches and after-work cocktails or follow our 'eating for wellness' journey throughout the club with everything from post-workout shakes to nutritious breakfasts.

2

THE SECOND FLOOR

Take Time Out.

When we're feeling good, we work to our full potential. That's why The AllBright Mayfair is committed to helping women keep their minds and bodies as fighting fit as their careers. Our entire second floor is dedicated to wellbeing, including a state-of-the-art fitness studio; holistic wellness rooms offering a variety of physical, emotional and spiritual treatments, from psychotherapy, osteopathy and nutrition to massages and acupuncture; plus a hair and beauty salon with a menu spanning express blow-drys and nails to cutting-edge facials.

3

THE THIRD FLOOR

Put The Work In.

Continuing AllBright's commitment to networking and nurturing women at work, by day, the third floor is a dedicated space for working, mentoring and coaching (AllBright members will gain exclusive access to our in-house Career Coach), with a sleek communal table and cosy individual work stations. And by night, it becomes an intimate socialising area, where members can meet for their book groups, wine clubs, networking and more.

4

THE FOURTH FLOOR

Let Loose.

On the fourth floor, you'll find our glamorous members' lounge –an all-day, all-evening bar, restaurant and large roof terrace with views of the Mayfair skyline. Designed as a haven for our members, the lounge offers comfort and light in the daytime and elegant ambience at night; serving our Club Menu of vibrant global dishes, alongside bespoke cocktails, bringing members and their guests together for mixing and mingling.

When women come together,
great things happen.

THE FIFTH FLOOR

Fill Your Diary.

Our loft-style events space, bar and roof terrace will play host to an exciting and varied events programme, from film screenings, live music and comedy nights, to professional development workshops, debates and self-care seminars by leading industry experts. Here, we'll also hold our weekly members' drinks, where like-minded women can network and socialise.

Our Community

From entrepreneurs to executives, freelancers to thought-leaders, our members are smart, ambitious trailblazers across myriad industries, including some of the most inspiring and successful women in the UK and US. Our community continues to grow every day and we invite you to become part of it.

THE ALLBRIGHT. RATHBONE

.....
Come inside.

Our first club can be found on Rathbone Place in the heart of Fitzrovia – an elegant Georgian townhouse with a beautiful open-plan design; boasting five floors of meeting rooms, working stations and social spots, including our restaurant and café. It's also fitted with a fully stocked bar, several event spaces, our in-house beauty salon, Powder & Bloom, and a brand new Cinema. Just a few little extras to make our members' lives more stress-free.

ALLBRIGHT. ACADEMY

.....
Club members are guaranteed access to the AllBright Academy, our 10-week digital programme designed to help women gain the skills, confidence and network needed to achieve their goals. An immersive, cohort-driven curriculum created by an outstanding line-up of experts, the courses cover topics that contribute to working women's success – from defining motivations to work-life integration and workplace resilience.

Your home from home.

Building on our London clubs and community, our first international club is due to open in summer 2019 in West Hollywood, Los Angeles. Located on the renowned Melrose Place, and spanning three floors, the club will offer members extensive indoor and outdoor spaces for dining, meetings, events and wellness treatments. A beautiful roof terrace boasts panoramic views over the Hollywood Hills and members will enjoy the convenience of valet parking.

“Women need our own spaces to galvanise ourselves, to get back into the workplace in a powerful way and to redress the balance.”

Naomie Harris, a founding member of **The AllBright**.
